SUSTAINABILITY: Casarena wines are Certified Sustainable by the Bodegas de Argentina (BDA) sustainability code and are certified vegan. Casarena focuses on all aspects of understanding & caring for the environment.

TASTING NOTES AND PAIRINGS

- Red and black fruit along with asparagus and subtle notes of grilled red bell peppers, and reminds us of tobacco and cocoa.
- Its structure and liveness stand out.
- Try with: spaghetti, lamb gyros or stuffed portobellos.

WINERY OVERVIEW

Casarena was built in 1937 and sits in the heartland of Mendoza's historic winemaking region, Lujan de Cuyo. Casarena's single vineyard wines make for unique culinary pairings that will elevate any dining experience.

Winemaker Martina Galeano and Agronomist Pablo Ceverino are two of the best young talents in Argentine wine. The team continues to conduct ongoing intensive soil research on their vineyard sites that are unlike any other terroir found in Lujan de Cuyo.
