## WINERY OVERVIEW

Lewelling Vineyards is one of the oldest continuously-owned family vineyards in the Napa Valley, consistently making elegant and highly sought-after Cabernets. This historic Napa Valley estate was established in 1864 near the western foothills of St. Helena by pioneer winegrower John Lewelling. Today the family, including 5<sup>th</sup> generation Alan, Doug and Dave Wight and 6<sup>th</sup> generation Haley, farm a 28-acre vineyard on a portion of the original estate.

The family is committed to making wines that showcase the exceptional fruit from this unique vineyard site. Gentle winemaking and minimal handling are emphasized to preserve the natural aromas and expression of the grapes which create some of Napa's most elegant Cabernets.
