WINERY OVERVIEW

Luca was born out of wine pioneer Laura Catena's vision of creating a new breed of Argentine wines: small quantities, artisan quality, and true to their individual terroirs. Laura works closely with small growers to grow high-quality grapes from some of Argentina's best old-vine, low-yield, high elevation vineyards. Each Luca wine is the ultimate expression of rigorous vineyard management, viticultural experimentation, strict irrigation controls, skilled winemaking, and a quest for quality at any cost.

Luca is named after Laura Catena's first son and it symbolizes her love for her family.
