WINERY OVERVIEW

Mendel wines classically combine Roberto de la Mota's prestigious winemaking skills and tremendously old vineyards to make Mendoza's most elegant wines. Proprietor and long-time wine lover, Anabelle Sielecki, partnered with Roberto to transform her family's historic 1928 vineyard into the respected estate it is today. She honors her father, a hardworking immigrant and successful businessman, by putting his first name, Mendel, on the label.

Using his French winemaking experience, Roberto has led Argentina's winemaking movement toward world-class production. The finesse and elegance in his wines are revered and respected.
